

# **Group Rules**

## **Be Kind and Courteous**

Let's create a welcoming environment and treat everyone with respect. Perhaps wear a mask while entering, socializing, and seeing folks for the first time. Then find your spot before taking it off!

## **Arrival and Departure**

Please enter and exit directly across the street from my driveway at 610 Rivermont Rd. Arrive as early as 1:30pm for the 2-4pm shows and as early as 5:30pm for the 6-8pm shows. Please exit the evening shows by 8:30pm so that the band has room to load-out and access the stage (we'll still have a lot of work to do). Also, please place your trash/recycling in our bins when leaving.

## **Park Smart**

Since there are 3 different roads that lead to and from my house, please park with the direction of traffic and pull all the way forward so that your car is within 5ft of the car in front of you.

## **BYOB and BYOC (chair)**

A blanket will work, but I think a chair would be best. Keep your eyes out for deer poop. (Have you been to our neighborhood?!)

## **Please Stay Within the String Lights**

The string lights represent (more or less) the property line. Please do not wander into either my neighbor's yards. This is especially important on the left where there is huge sinkhole forming. IT IS DANGEROUS! Also, please do not go beyond the back of the stage. It gets very steep and I don't want you to fall in the river.

## **Children and Pets**

2-4pm shows are all ages. 6-8pm shows are 12 yrs and older. Please, no pets.

## **Please Use the Porta-Potty**

Not on the grass...

## **Please Be Careful**

I've done my best to make sure there aren't any holes to step in or roots to trip over, but PLEASE BE CAREFUL... especially when it gets dark.

## **Please Fill the Front First. I Like the Front!**

You know how when you approach a crowd and it gets weird cause you don't want to pass folks and go to the front even though there is room? Let's not do that... ;)
